### **1.1.3 Eligible Applicants**

EOI process is open to local consulting firms registered in Nepal under GoN rules & regulations and/or their joint ventures meeting the criteria mentioned in 1.6.1.

## **1.2 REQUESTS FOR EXPRESSION OF INTEREST**

### **1.2.1 Clarification on EOI Documents**

A prospective Applicant requiring any clarification on this EOI document may contact NEA during office hours on all working days prior to the deadline for submission of the completed EOI document at the address indicated in Section 1.2.1.

#### Contact person

Bhakti Prasad Timsina

Asst. Director

ESSD-NEA

Tel: -01-6611580

Fax: -01-6611590

### **1.2.2 Amendment to EOI Documents**

1. At any time prior to the deadline for the submission of the completed EOI document, NEA-ESSD may amend the EOI, for any reason, whether on its own initiative or in response to a clarification requested by an Applicant.
2. All applicants will be notified in writing about the amendments. All applicants will be bound by the amendments. Applicants will be required to acknowledge receipt of any amendment. Otherwise, NEA-ESSD will assume that the information contained in the amendment is taken into account by the Applicant in its Application.

## **1.3 PREPARATION OF THE EOI DOCUMENT FOR SUBMISSION**

### **1.3.1 Documents for EOI**

The completed EOI documents to be submitted by Applicants shall comprise of the following documents:

Form Type	Description/Content
<b>Form -A</b>	Information Regarding Technical & Financial Capability of the Consulting Firm
<b>Form A-1</b>	Letter of Submission
<b>Form A-2</b>	Joint Venture Information
<b>Form A-3</b>	Self- Declaration Firm
<b>Form A-4</b>	Commitment to Code of Ethics and Anti-Corruption Policy
<b>Form A-5</b>	Eligibility Status
<b>Form A-6</b>	Identification of Firm
<b>Form A-7</b>	Logistic Support of Firm
<b>Form A-8</b>	Financial Capability
<b>Form- B</b>	Work Experience of the Firm
<b>Form B-1</b>	Experience of the firm carried out EIA of Hydropower(50MW and above) or EIA in Transmission line Project(132 kV or above)
<b>Form B-2</b>	Experience of the Firm for EIA/IEE of the transmission line Project 132 kV and above capacity
<b>Form B-3</b>	Experience of the Firm for the environmental and social monitoring of the infrastructure development projects
<b>Form B-4</b>	Experience of the Firm for the supply of professional/expert manpower in study/construction of development project
<b>Form B-5</b>	Experience of the Firm for the implementation of Skill development trainings as per CTEVT standard in the area of electrical wiring, sewing and cutting, driving, welding, plumbing and mason
<b>Form B-6</b>	Experience of the Firm for the implementation of Social Awareness
<b>Form B-7</b>	Experience of the Firm for the implementation of Environmental Conservation Awareness
<b>Form B-8</b>	Experience of the Firm for the implementation of Small Scale Income Generation Activities
<b>Form -C</b>	Details of Key Professional Staffs
<b>Form C-1</b>	Full time Professionals available in the firm
<b>Form C-2</b>	Details of Key Professional Staffs to be deployed for the implementation of the assignment

Applicant shall submit two copies (one original and one photocopy) of the completed EOI document clearly mentioning Original and Copy and name of the project. In the event of any discrepancy between the original and the copy, the original shall govern.

### 1.3.2 Submission of EOI in Joint Venture

A firm submitting the EOI in a joint venture shall furnish a duly signed Joint Venture Agreement stating responsibility of each partner in the Joint Venture and name of authorized signatories through a power of attorney signed by each Joint Venture firm.

### 1.3.3 Cost of Preparation of EOI and Liability

Applicant shall bear all costs associated with the preparation and submission of the completed EOI document. NEA-ESSD will, in no case, be responsible or liable for these costs, or have any other

liability to any Applicant, regardless of the conduct or outcome of the EOI process. NEA-ESSD shall have no obligation to any Applicant to reimburse any costs incurred in preparing a response to this EOI.

#### **1.3.4 Confidentiality of the Document**

If an Applicant believes that any portion of the submittal is to be treated in confidence, he/she shall identify such information clearly in the submittal. NEA-ESSD will make every effort to treat such documents in confidence as far as possible.

### **1.4 SUBMISSION OF EXPRESSION OF INTEREST (EOI)**

#### **1.4.1 Sealing and Marking**

1. The Applicant shall seal the original and copy of the completed EOI in separate envelopes, duly marking the envelopes as "Original" and "Copy". These envelopes shall then be sealed in an outer envelope and marked as "Expression of Interest". The inner as well as outer envelope should clearly mention the name of the project (assignment).

2. The inner and the outer envelopes shall be addressed to:

The Chief

Environment and Social Studies Department

Kharipati, Bhaktapur

Tel: 01-6611580

Fax: 01-6611590

3. The envelopes should also indicate the name and address of the Applicant for identification purposes.

#### **1.4.2 Deadline for Submission**

1. The completed EOI document must be submitted to NEA-ESSD at the address specified in Section 1.4.1 before 12:00 hr Nepal Standard Time (NST) **on 16<sup>th</sup> day from first publication of this notice.**

2. The completed EOI documents received by NEA-ESSD after the deadline set forth in Section 1.4.2 shall be considered late and shall be summarily rejected and returned unopened.

3. If the deadline specified herein falls on a government holiday, the deadline shall be extended automatically to the next working day at the same hour.

#### **1.4.3 Withdrawal of EOI document**

An Applicant shall not be permitted to withdraw the EOI Application that has been submitted.

### **1.5 PUBLIC OPENING OF SUBMITTED EOI DOCUMENT**

Completed EOI document received by the due date and within the time specified in Clause 1.4.2 will be opened at 2.00 PM NST on the 16<sup>th</sup> day for the submission of EOI documents. Absence of any

applicant or authorized representative, however, shall not obstruct or prevent the opening process in any way. Applicants' each designated representative must bring a letter from the applicant stating that he/she is authorized to represent the applicants for the public opening of the EOI document.

Applicants or their authorized representatives who are present at the time of opening shall sign in a register evidencing their presence.

During the opening, an authorized representative of NEA-ESSD will read out the names of the applicants who have submitted the completed EOI document and then will open the submitted EOI envelopes.

## **1.6 EVALUATION PROCESS**

### **1.6.1 Evaluation of EOI Documents**

ESSD will carry out evaluation of the EOI documents based on the criteria approved by NEA. Anything not mentioned in this document regarding the EOI process shall be governed by the prevailing rules and regulations of Nepal.

The long list will be prepared only of those consulting firms, which have submitted Expressions of Interest within the scheduled time in response to the notice of Invitation for Consulting Services published by NEA-ESSD. The evaluation for short listing from the long list will be carried out in three steps.

#### **STEP I: Preliminary Screening of Consulting Firms**

In this step, a preliminary screening of the received EOI applications will be carried out. Consulting firms will be evaluated on 'Pass' or 'Fail' basis. Each consulting firm must 'pass' each and every threshold criterion mentioned below. Any consulting firm not complying with any of the specified threshold criteria will be disqualified and will not be considered for further evaluation.

##### **A. General Threshold Criteria (Form A-5)**

- (i) EOI application shall be duly submitted by the last date and time of submission as mentioned in the notice of EOI.
- (ii) Following documents (Notarized or certified) shall be submitted along with the EOI proposal.
  - Registration certificate of the consulting firm.
  - Audited Financial Statements of the preceding five consecutive fiscal years but not earlier than the fiscal year 2068/2069.
  - Company Profile
  - VAT/PAN Certificate
  - Tax clearance certificate/Documentary Evidence of Tax Submission for fiscal year 2072/073

- 
- (iii) At the time of submission of EOI application, consulting firms must not be black listed by Public Procurement Monitoring Office (PPMO) or NEA or funding agencies of the project. The consultant must submit Self Declaration showing the subsequent details.
  - (iv) Consulting firms must have been legally registered for **at least five (5) years** from the last date of submission of EOI;
  - (v) Minimum average annual turnover of best three years over the last five years shall be NRs. 7 Million. In case of JV, cumulative strength of JV partners will be evaluated for annual turnover. Consulting firm or JV firms not meeting this criterion will not be considered for evaluation.

#### **B. Technical Threshold Criteria**

The consulting firms must have completed at least one project in carrying out EIA of hydropower project with installed capacity of 50MW and above or EIA of Transmission Line Project 132 kV and above in last 15 years as per Environment Protection Rules 1997 or in line with World Bank Group/ADB safeguard policies will only be considered for evaluation.

#### **C. Threshold Criteria for Joint Venture Firms**

- (i) JV of more than 3 firms is not allowed.
- (ii) Each partner of the JV firm shall meet the criteria mentioned in A (ii), A (iii) and A (iv) above.
- (iii) Lead partner of the JV firm shall meet the criteria mentioned in B
- (iv) JV firms shall submit the certified copy of JV Agreement or memorandum of understanding (MOU) of JV Agreement or intended JV Agreement, along with their EOI application. Also the lead firm should hold the power of attorney.
- (v) An applicant must not submit more than one (1) EOI application either as a single entity or as a partner in the JV.
- (vi) The lead partner of the JV firm must have at least 40% of the share and each partner must have at least 25% of the share.
- (vii) Average annual turnover, best three years over the last five years of the lead firm must be the highest among all of the JV members.
- (viii) A firm submitting the EOI in a joint venture shall furnish a duly signed Joint Venture Agreement stating responsibility of each partner in the Joint Venture and name of authorized signatories through a power of attorney signed by each Joint Venture firm. Any consulting firm not complying with any of the specified threshold criteria will be disqualified and will not be considered for further evaluation.

---

**Notes:**

- i. The Consulting firms not complying with the threshold criteria mentioned above in A, B and C will not be considered for further evaluation.
- ii. Qualification and experience of the consulting firm associated as sub-consultancy will not be considered for evaluation for short listing.

**STEP II: Detailed Evaluation of Consulting Firms**

The Consulting firms fulfilling all requirements in the Step-I, will be further evaluated in the Step II. A scoring system is adopted to rank these firms in order of merit based on the criteria mentioned below. In case of JV, cumulative strength of JV partners will be considered. The maximum overall score that any Consulting firms can obtain is set at 1000 points, which are distributed as follows:

**Criteria A: Capability of the firm: 200 points.**

Under this criterion average annual turnover in best three years of last five fiscal years, full time professional available in the firm, logistic support of the firm and years of experience will be evaluated.

**Criteria B: Relevant Experience of the Firm in last fifteen years: 600 points.**

Under this criteria the experience of the firm in following areas last fifteen years will be evaluated.

**B-1:** Experience of the firm carried out EIA of hydropower project with installed capacity of 50MW and above Project: 100 Points

**B-2:** Experience of the firm carried out EIA/IEE of 132KV and above transmission line Project: 100 Points

**B-3** Experience of the Firm for the environmental and social monitoring of the infrastructure development projects.50 points.

**B-4** Experience of the Firm for the supply of professional/expert manpower in study/construction of development projects.100 points.

**B-5** Experience of the Firm for the implementation of Skill development trainings as per CTEVT standard in the area of electrical wiring, sewing and cutting, driving, welding, plumbing and mason.100 points.

**B-6** Experience of the Firm for the implementation of Social/Community Awareness program such as Social Awareness, safety and health and sanitation. 50 Points

**B-7** Experience of the firm for the implementation of Environmental Conservation Awareness program such as Forest conservation/ wildlife conservation, NTFP, Capacity building for the Forest user groups. 50 Points

**B-8** Experience of the firm for the implementation of Small Scale Income Generation activities such as Agricultural productivity Intensification, vegetable farming, mushroom farming and livestock training.50 points.

**Criteria-C:** Full time human resources available in the firm (Form: C-1) and Details of Key Professional Staffs to be deployed for the implementation of the assignment (Form: C-2) (list of the key professionals with minimum qualification and experience requirement as per ToR):200 Points.

Details of evaluation criteria in each category are as follows. Figures given in weightage indicate the maximum score that can be obtained in each sub category. The points will be allocated as shown below.

**Detail Evaluation Criteria for EOI Document**

S.N	Description	Marking	Weightage
<b>A</b>	<b>Capability of Firm</b>	<b>200 points</b>	
<b>I</b>	<b>Average Annual Turn Over in best three years of last five fiscal years from 2067/068 to 2072/073</b>	<b>30 Points</b>	
(i)	>10 million		100%
(ii)	> 8 to 10 million		75%
(iii)	7-8 million		50%
<b>II</b>	<b>Years of Experience of the firm ( From the date of legally registered to the last date of submission of Eoi)</b>	<b>40 points</b>	
(i)	>7 years		100%

i	Work Experience more than 10 Years		100%
ii	Work Experience of 5-10 years		75%

iii	Work Experience of 5 years		50%
<b>III</b>	<b>Specific Experience of Key Personnel</b>	<b>80 Points</b>	
i	5 years and above		100%
ii	3-5 years		75%
iii	3 years		50%

### Step-III: SHORT-LISTING OF CONSULTING FIRMS

The first stage involves short listing of consulting firms from a long list comprising those firms which have expressed their interest for the services as described in the notice of Invitation for Consulting Services. The top ranked six firms obtaining at least 600 and above points out of total 1000 points in the EOI evaluation process will be listed for the said consultancy services as qualified firm.

In the second stage, The list of firms qualified in EOI process will be notified in due course of time for the submission of Technical and Financial proposals i.e. RFP Process. During RFP process the consulting firm will be selected in accordance with Quality and Cost Based Selection procedure (QCBS) with the procedures set out in the Procurement Act 2063 (2007) and Procurement Rules 2064 (2007).

#### 1.6.2 Clarification during Evaluation by NEA-ESSD

1. During the evaluation, NEA-ESSD may request the Applicant for necessary clarifications. The Applicant shall furnish the necessary clarifications expeditiously by the letter to NEA-ESSD at the address given in Clause 1.4.1.
2. Failure to provide information essential to evaluate the Applicant's qualifications, or to provide timely clarifications or substantiation of the information furnished, NEA-ESSD would be at liberty to declare such bidder as non-responsive and reject his/her document.

#### 1.6.3 Rejection of EOI Document of Applicant

1. NEA-ESSD reserves the right to accept or reject any or all EOI proposals with or without giving any reason whatsoever and is not liable for any losses to Bidders due to such rejection.
2. The consulting firm must submit the eligibility documents (eligibility criteria) as indicated in 1.6.1 above viz; valid registration certificate of firm, VAT certificate, tax clearance certificate/ Documentary evidence of tax submission (for fiscal year 2072/073) and Self Declaration as shown in Form-A-3. The consultant also furnishes sufficient evidences showing the area and number of training conducted by the firm. Failure to submit these documents will result in rejection of the application.
3. Furnishing of false or wrong information, document or evidence by any firm or joint venture may result in rejection of the EOI document of the firm or their joint ventures.

**1.7 NOTICE OF RESULT OF EVALUATION**

All applicants irrespective of the qualification or disqualification will be notified in writing the result of qualification in due course of time. An applicant listed in the short-listing will be considered as qualified firm and will be invited to participate in the Request for Proposal process.

**1.8 APPLICATION IN JOINT VENTURE**

By submitting an EOI in joint venture, the Applicant represents that, if qualified and if awarded the contract after the RFP process, the Applicant with its constituent members shall be jointly responsible to perform the obligations of such contract.

**1.9 SCOPE OF WORK AND DURATION OF ASSIGNMENT**

The general project information and scope of service of the assignment is given in [Annex-1](#)

---

## 2. CONTENT OF EOI DOCUMENT AND INSTRUCTIONS TO THE APPLICANT

### 2.1 PREPARATION AND COMPLETENESS OF EOI APPLICATION

The EOI document shall be structured in accordance with the outlines given in the EOI form and must contain accurate and complete information as requested in the EOI form. The EOI document shall have no interlineations or overwriting, except as necessary to correct errors made by the Consulting Firm itself. Any such correction must be initialed by the person authorized to sign the application and stamped with the firm's seal.

#### 2.1.1 General Information

1. The Applicant shall provide a Letter of Submittal with completed forms as provided in the Format Forms A to C in the EOI document. All necessary information shall be presented to demonstrate the firm/joint venture's capability, experience and professionals to be deployed for the study.
2. The Applicant shall enclose copies of registration certificate, tax clearance certificate/ Documentary evidence of tax submission (for fiscal year 2072/073), experience certificate or completion certificate, audit report of last five years and other relevant information.
3. The Applicant shall provide a statement of its willingness and commitment to abide by all applicable laws, regulations, and other requirements having the effect of law in the execution of this study, if selected.

#### 2.1.2 Information Regarding Technical & Financial Capability of the Consulting Firm

##### Form A-1: Letter of Submission

The applicant shall submit with the EOI a submittal letter with name and full contact information of the authorized representative. The letter shall be signed by an authorized person of the firm or lead firm in the joint venture and shall be stamped by the company's seal. The format of submittal letter is given in Form A-1 of the document EOI. The letter shall also include the name of project being applied for.

##### Form A-2: Joint Venture Information

The applicant shall submit the joint venture information in Form A-2. The association between the Consulting Firms should be in the form of a joint venture only. The Joint Venture Agreement should clearly mention share percentage in JV and Power of Attorney must be submitted with the EOI Application.

##### Form A-3: Self Declaration Firm

The applicant shall submit a self-declaration statement stating that the Consulting Firm (all members in the joint venture) is not ineligible to participate in this procurement process, that the Consulting

---

Firm does not have any conflict of interest in the proposed assignment, and that the consulting Firm has not received any punishment while doing consulting business in last five years. The self-declaration letter shall be signed by an authorized person of the Consulting Firm and shall be stamped by the company's seal. The format of the self-declaration letter is given in Form A-3 of this EOI document.

**Form A-4: Commitment to Code of Ethics and Anti-corruption Policy**

The applicant shall submit a statement stating that the Consulting Firm shall abide by the code of ethics and anti-corruption policy. This commitment to abide by code of ethics and anti-corruption policy shall be presented in Form A-4 of this EOI document.

**Form A-5: Eligibility Status**

The applicant shall fill form A-5 and submit supporting documents to support the eligibility requirements(s). The supporting documents will be in the form of copies of registration certificate, VAT Certificate and Tax Clearance Certificate and work experience certificate completed by the firm.

**Form A-6: Identification of the Firm**

The background information of the consulting firm shall be presented in the prescribed Form A-6. Necessary documentary evidences should be provided to substantiate the data contained in the Form A-6.

**Form A-7: Logistics Support of the Firm**

The logistics of the consulting firm shall be presented in the prescribed Form A-7 of this EOI document. Necessary documentary evidences should be provided to substantiate the data contained in the Form A-7.

**Form A-8: Financial Capability of the Firm**

The financial capability of the consulting firm shall be presented in the prescribed Form A-8 of this EOI document. The financial status of the Consulting Firm shall be supported with audited reports for the preceding fiscal years. The financial capability of the Consulting Firm shall not be considered for evaluation if not supported by copies of audit reports.

**2.1.3 Relevant Work Experience of the Firm****Experience of the Firm**

Experience of the firms carried out EIA of hydropower projects with installed capacity of 50MW and above, IEE/ EIA of transmission line project (132 kV and above) and implementation of environmental and social monitoring works infrastructure development project in the last 15 years shall be presented in the prescribed Form B-1 and B-2 and B-3 respectively. Experience of the firm for the supply of professional/expert manpower in study/construction of development project in the prescribed Form B-4 and implementation of skill trainings, social awareness, environmental

---

conservation and income generation activities in the prescribed Form B-5, B-6, B-7 and B-8 respectively. The experience of the Consulting Firm shall be supported with evidence/proof in the form of experience certificates/completion certificates showing the dates of completion of the assignments, value of the consulting assignments. The experience of the Consulting Firm without evidence/proof shall not be considered for evaluation.

#### **2.1.4 Details of Key Professional staff to be deployed for the Study**

##### **Form C**

The consultant shall present the full time professionals available with the firm in the prescribed Form C-1 and the details of key professional staff to be deployed for the proposed work and their qualification and experience shall be presented in prescribed Form: C-2.

---

**FORM A-1**

---

**LETTER OF SUBMISSION**

**SELF DECLARATION FIRM**

---

Date: .....

To,  
The Chief

Environment and Social Studies Department  
Kharipati, Bhaktapur

Sir,

We, .....

(Name of all Consulting Firm) declare that we are legally eligible to participate in the procurement Process of consulting services for the Safeguard implementation and Monitoring of South Asia Sub-regional Economic Cooperation (SASEC) Power System Expansion Project (PSEP).

We also declare that we do not have any conflict of interest in the said assignment.

We hereby also declare that we have not received any punishment while doing consulting business in the last five years.

*Note: (If any member of the consulting Firm is not eligible to participate in procurement process or has conflict of interest in the said assignment or has received any punishment while doing consulting business in the last five years, the same must be clearly mentioned in this form. Any history of litigation during the last five years shall also be declared here along with the relevant verdict.)*

**Annex-I:****Project Information and Scope of Services****1. Background**

Nepal Electricity Authority (NEA) is implementing **Safeguards Implementation and Monitoring of South Asia Sub-regional Economic Cooperation (SASEC) Power System Expansion Project** (Loan 3139/ Grant 0397) with the financial assistance from Asian Development Bank (ADB) with co-financing from Norway and loan from European Investment Bank. The project scope includes the following main infrastructure components:

- a. Kaligandaki Corridor (Dana-Kusma 220kV, Kusma-New Butwal 220kV, and New Butwal-Bardaghat 400kV transmission lines and associated substations)
- b. Marsyangdi Corridor (Manang-Khudi-Udipur 220kV and Udipur-Markichowk-Bharatpur 220kV transmission lines and associated substations)
- c. Marsyangdi-Kathmandu 220kV transmission line and associated substations
- d. Grid substations reinforcement project
- e. Distribution lines and substations construction and up gradating works

**2. Project Information**

**2.1 KaliGandaki Corridor** (Dana-Kusma 220kV, Kusma-New Butwal 220kV, and New Butwal-Bardaghat 400kV transmission lines and associated substations)

**Dana-Kusma Section**

The proposed project is located in Parbat and Myagdi district of Dhaulagiri zone of Nepal. The proposed Dana substation is located at ward no. 6 of Dana Village Development Committee (VDC) of Myagdi district. Similarly, the proposed Kusma substation is located at Bagaicha, ward no. 4 of Kusma Municipality (former ward no. 2 of Khurkot VDC) of Parbat district. The IEE of the project has been approved by MOE. The length of this section is 40 km.

**Kusma-New Butwal Section**

The project is located in Hill, Siwalik and Terai of Nepal. The Kushma-New Butwal TL section starts from a substation at Khurkot VDC of Parbat District. In Parbat District, the alignment passes through 8 VDCs and 1 municipality, 3 VDCs of Baglung District, 3 VDCs of Syangja District, 8 VDCs of Palpa District, 1 municipality of Rupandehi District and 1 VDC and 1 municipality of Nawalparasi District. Altogether 23 VDCs and 3 municipalities of 6 Districts (Parbat, Baglung, Syangja, Palpa, Rupandehi and Nawalparasi) have been identified during the IEE study. The total length of this section of TL is 87.574 km. The IEE of the project has been submitted to MOE for approval.

**New Butwal-Bardaghat 400kV Section**

This project is under study. Detail project description will be provided by the client during the RFP process.

**2.2 Marsyangdi Corridor** (Manang-Khudi-Udipur 220kV and Udipur-Markichowk-Bharatpur 220kV transmission lines and associated substations).

**Manang-Khudi-Udipur 220kV Section**

The proposed project is located in Gandaki zone of the Western part of Nepal. It has two sections namely; Khudi-Manang and Khudi-Udipur. The TL alignment lies in Manang and Lamjung districts. Altogether 11 VDCs (3 VDCs of Manang and 8 VDCs of Lamjung) will be affected by the project. Similarly, one Municipality of Lamjung will also be affected. The total length of this section is 45.57km. This transmission line project is under study.

**Udipur-Markichowk-Bharatpur 220kV transmission line Section**

This project is also under study. The detail project description will be provided by the client during the RFP process.

**2.3 Marsyangdi-Kathmandu 220 kV TL**

The proposed transmission line starts from the proposed substation at Markichowk of Aanbukhhaireni VDC of Tanahaun district and encompassing through Gorkha, Chitwan and Dhading districts and it terminates at Baadbhanjyang VDC of Kathmandu district. The alignment will further be synchronized with the alignment of the proposed Upper Trishuli 3A-Matatirtha 220kV Transmission Line alignment from Baadbhanjyang VDC to Matatirtha substation located at MatatirthaVDCof Kathmandu district in order to minimize the impacts due to the cable networking at Matatirtha settlement. The Baadbhanjyang to Matatirtha stretch will be transmitted as four circuit transmission line a part of which will be underground cabling. The IEE of the project has been approved by the Ministry of Energy (MoE). The total length of the TLP is 81.54 km.

**2.7 Grid Substations Reinforcement Project (Information will be provided during RFP Process)**

**2.8 Distribution lines and substations construction and up gradating works (Information will be provided during RFP Process)**

**2 Scope of Services**

The major scope of work of the consultant for this assignment includes (i) Environmental and Social Monitoring of the TL mentioned (1: a,b,c,d and e ) above and (ii) Environmental and Social Mitigation Measures of the project given below. The detail of scope of work to be carried out by the consultant is given below:

- Set up and operationalize Safeguards Desk;
- Review and update the environmental and social safeguard documents ;
- Prepare Plan for Implementation of the activities mentioned in IEE/ EMP and RP documents prepared and to be prepared for the above mentioned TLPs;

---

## 2.1 Implementation of Environmental and Social Mitigation Measures

The consultant shall implement the following environmental and social mitigation measures mentioned in IEE/EMP and RP document prepared for the TLPs. The consultant shall implement the environmental and social mitigation measures of **Kali Gandaki Corridor** (Dana-Kusma 220kV and Kusma-New Butwal Section) and **Marsyangdi-Kathmandu** 220 kV Transmission line project. The major mitigation measures to be conducted by the consultant are as follows.

- *Training for Cultivation of NTFP under the RoW*
- *Awareness Program on Forest and Wildlife Conservation*
- *Capacity Building Training*
- *Agricultural Productivity Intensification Training Program*
- *Occupational Safety Training*
- *Skill Development Training (Electrical wiring, Sewing and Cutting, Mason, Welding and driving(390 hrs as per the CTEVT Standard with skill test)*
- *Livestock Training*
- *Mushroom Farming Training*
- *Vegetable and Citrus Species Farming Training*
- *Micro Enterprises Creation Training*
- *Health and Sanitation Program*

## 2.2 Environmental and Social Safeguards Field Monitoring

The consultant shall conduct the environmental and Social Safeguards Field monitoring (**48 months spread over 72 months**) of the transmission line projects mentioned above. The key responsibilities of the consultant during the construction phase monitoring are as follows.

- Depute team in the field for environmental and social safeguards implementation and conduct site inspections of activities of the contractors for EMP compliance. Advise and ensure corrective measures are taken. The monitoring parameters shall be as mentioned in IEE/EIA, EMP and RP document prepared for the sub projects.
- Grievances Management and Information Disclosure.
- Assist Project Managers for Compliance of Safeguard Activities to be implemented under the SASEC project.

## 2.3 Public Consultation

The consultant shall carry out consultations with the community before and during the implementation of civil works. The consultant shall conduct the public consultation to the PAFs,

affected community forest user groups, women groups, Dalits groups, ingenious people and local people on regular basis. The consultation shall be focused regarding the entire transmission line and effectiveness of implementation of environmental and social mitigation measures.

#### 2.4 Staffing Requirement (For Form: C-II)

The consultant shall deploy the following experts for the site based considering 4 years of project cycle including 3 years construction and one year operation.

**Table-2.1: Staffing Requirement**

SN	Required Expertise	No. of Person
1	Forest Expert	5
2	Civil Engineer	5
3	Civil Overseer	8
4	GESI and Community Liaison Officer	5
5	Environmental Safeguard officer	10
6	Social Safeguards Officers	10

#### 2.5 Others Necessary Manpower Requirement

In addition, Office assistant (8-Person, one in each unit) having SLC graduated are also required for this assignment. Engagement of office assistant 42 months of full time inputs. The consultant shall also hire the Enumerators on short term basis for updating of the approved documents and household survey.

#### 2.6 Office Space and Logistic

The consultant shall establish 8 Environment and Social Management Units (ESMU) at the project site and bear the rent of office space, official logistic supports like commuters, printer, furniture etc.

#### 2.7 Reporting Requirements

The consultant shall prepare and submit the following report to ESSD.

**Table-3.2: Reporting Requirement**

Report/Document	No of copies	Deliverables
Inception Report environment and social	Soft copy/ 3 hard copies	Within 30 days after the contract agreement
Monthly Report	Soft copy/ 3 hard copies	Every month after the effective date of the Contract, within 10 working days from the end of the month.
Updated IEE Report	Soft copy/ 4 hard copies	3 months after completion of check survey by the contractor
Supplementary IEE Report	Soft copy/ 6 hard copies	If required due to major changes in alignment especially in forest area
Public consultation and communication Plan	Soft copy/ 4 hard copies	Within 3 months after the consultant is on board
Compensatory Plantation Plan	Soft copy/ 4 hard copies	6 months after completion of check survey
Semi-Annual Environmental Compliance Monitoring Report	Soft copy/ 3 hard copies	Every six months from Jan-June and Jul-Dec, within 2 weeks by end of June and Dec. each year
Semi-Annual Social Safeguards Compliance Monitoring Report	Soft copy/ 3 hard copies	
Final Project Environmental Safeguards Performance Report	Soft copy/ 4 hard copies	One month after the completion of the Project

Final Project Social Safeguards Performance Report	Soft copy/ 4 hard copies	As required
Updated resettlement plan and Indigenous People Plan	Soft copy/ 3 hard copies	As required
Quarterly environment and social management report	Soft copy/ 6 hard copies	Every Quarterly

### 3. Implementation Schedule

The proposed Safeguards Implementation and Monitoring program will be implemented for the period of 48 months spread over 72 months.
