Ref. No.-109

Clarification
Date: June 1, 2018

This is to notify all concerned that Nepal Electricity Authority, Accounts Department Durbar Marg, Kathmandu, Nepal has made following clarifications on the queries of Consultants regarding the Consulting Services on implementation of Nepal Financial Reporting Standards (NFRS), Contract ID No.: NEA/S/QCBS-74/75-01.

Sl. No.	Reference of RFP Document	Query from the Consultants	Response from the Client
1	Page 26, Data Sheet 14.1.1	RFP mentions that Shortlisted Consultant may associate with (a) non-shortlisted Consultant. Does it mean that association is permitted with only 3 non-shortlisted Consultant who expressed interest to provide requested service but was not shortlisted by NEA evaluation committee?	Shortlisted Consultant may associate with any other non-shortlisted Consultant either they have expressed their interest or not. But Shortlisted Consultants will not be allowed to form Joint venture with other non-shortlisted consultant.
2	Page 26, Data Sheet 14.1.2	RFP mentions that Estimated input of international key expert" time input is not Applicable" Further Page 24 Data Sheet 1 (K) defines expert as expert who are citizen of an eligible country (which is Nepal only as mentioned in Section 5 Page 50). Does it mean that expert who is not the citizen of Nepal is not intended to be purposed in the team of experts for the requested service	NEA has not included any international experts in the cost estimate. However, Consultants may submit their technical proposal purposing international expert, if they can compete with other consultants.
