NOTICE OF MARKET ENGAGEMENT

Published Date: 1st October 2026

Asian Development Bank (ADB) conducted Virtual Early Market Engagement on 28 September 2026 regarding the upcoming Enterprise Resource Planning (ERP) initiative in NEA. On the basis of this online engagement meeting, ADB and NEA has decided to seek industry feedback on key aspect of the proposed ERP including system design, procurement, financing and implementation. This market engagement exercise is to assist the organization in understanding the market and refining its requirements before proceeding with a formal procurement process.

NEA invites potential bidders, ERP solution providers, system integrators and other relevant market participants to provide their views, suggestions and responses based on the tender issued on 23 Feb 2026: Supply, Delivery, Installation and Commissioning of ERP based IFMIS (Integrated Financial Management System) along with the amendments and clarifications published in NEA website.

Interested parties are requested to submit their feedback and responses to NEA by 15 October 2026 in the following mail address:
