Virtual Early Market Engagement

South Asia Subregional Economic Cooperation Electricity Transmission and Distribution Strengthening Project (SASEC- ETDSP)

Nepal Electricity Authority (NEA), with the support of the Asian Development Bank (ADB), invites interested and eligible contractors, suppliers, manufacturers, consultants, and other industry stakeholders to participate in a virtual Early Market Engagement Meeting for following upcoming packages under SASEC- ETDSP.

1. Construction of 220/132/66/11 kV substation at Teenpiple, Kathmandu and associated Okharpauwa-Teenpiple 220kV LILO Transmission Line.
2. Construction of 400 kV Transmission Line from Nijgadh to Ramauli.
3. Construction of 400/132/33/11 kV Substation at Ramauli, Bara
4. Construction of Jumla 132kV GIS substation.

The engagement will provide an overview of the project / packages and anticipated procurement method, and will seek industry feedback on relevant procurement, technical, and implementation aspects. The meeting is intended to help prospective participants to better understand the project / packages and share market perspectives.

Location	**Online via Microsoft Teams**
Date	**18th November 2026**
Time	**2:00 PM (Nepal Local Time)**
